To lose someone you love is a devastating human experience. It is frequently traumatic and can seriously impact judgment. We believe in the importance of the recognition and meaningful celebration of a life that has been lived and will assist in arranging an appropriate service to meet your individual needs. It is also important to be realistic in respect to funeral expenditures. We do not want a family to spend more than they should or less than they would like. What is important is that arrangements be in keeping with the family's wishes and budget. Provisions for payment are due at time of arrangements. To avoid any possibility of misunderstanding or embarrassment and for your convenience, we accept the following methods of payment: ***All Major Credit Cards, Cashier's Checks, Money Orders, Cash, and Insurance Policy Assignments*** that are assignable. Insurance factoring by Mortician's Choice, policies will be assessed a 3% insurance processing fee on the total amount of insurance proceeds being used; National Pre-Arranged Services (NPS) Policies will be assessed an 8% insurance processing fee on the total amount of insurance proceeds being used by C and J Financial, LLC; all policies must be out of contestable period. ***Full payment is required 48 hours prior to your services selected.***
